schlafenhase

last week's progress

Jose Acuña

- web app login system
- initial work on web home view

Alejandro

- mobile app login system
- mobile app and connections
- mobile app database

Kevin & Jose S.

- database implementation

Jesús

- web app simple tables
- weekly summary #2

duh!

schlafenhase

possible risk assessment

spreadsheet data
analysis (assigned to Jose
Acuña) was more
complex than initially
projected

schlafenhase

possible risk mitigation

spreadsheet data
analysis deadline was
pushed by a week and
a half

Jose Acuña will get an
additional member as
support

schlafenhase
